## **Supervisors Approve Contract with Camp Fire USA Mount San Antonio**

**San Bernardino** - The Board of Supervisors approved a \$2,500 contract with Camp Fire USA Mount San Antonio Council for the purchase and installation of pool safety equipment at the Camp Nawakwa facility.

"The Board is funding this contract through the Community Development Block Grant (CDBG) program, which is to benefit low-to-moderate income families," said Supervisor Biane. "I am confident that the money Camp Fire USA Mount San Antonio Council will receive will be used wisely and will benefit the youth of the Second District."

The pool safety equipment includes a permanent pool cover and a lifeguard station.

Camp Fire USA Mount San Antonio Council provides recreational and educational wilderness retreats for children and youth living throughout San Bernardino County. "I am honored to help this wonderful organization serve my district as well as others," Supervisor Biane concluded.
